NOT A CELEBRITY TEQUILA

There has been a proliferation of celebrity-backed tequilas — and spirits in general — over the last few years. Not A Celebrity Tequila is a direct response, made with a focus on traditional practices and authenticity rather than names that make good for cardboard cutouts at the local chain restaurant. Made in the Los Altos region of Mexico with 100% agave, the Blanco expression is additive-free and distilled in stainless steel pots with copper coils. The resulting 40% ABV drink offers a delicate balance of cooked agave and citrus that's both light and peppery enough to serve as a subtle base for traditional tequila-based cocktails.

The 50 Best Bottles of Tequila for Cinco de Mayo

We tested entirely too much tequila to identify the ideal bottles for sipping, shots and cocktails, including a few surprises

Not a Celebrity Tequila

anching on Cinco de Mayo, this cheekily-ed blanco comes from the founders of ena Fe, the first USDA-certified organic 7% agave tequila RTDs, and hails from same distillery that makes El Luchador, which is also on this list. NACT is additive-free and available direct-to-consumer for w; it's slightly sweet, a bit vegetal and full of pepper and citrus. At \$40, it's good enough to work beyond its anti-celeb statement.

This Is Not a Celebrity Tequila

But It Is a Solid, Refreshingly Bullshit-Free Tequila

MAY 23, 2024

These days, celebrity tequilas are a dime a dozen.

Or sometimes, \$100 a bottle. Often for tequila that's laced with additives, made with shortcuts, and places more emphasis on lifestyle marketing than actual quality.

Not a Celebrity Tequila is a new brand that's pushing hard in the opposite direction. It's a 100% agave tequila that's made the traditional way, without additives and with not a Clooney or McConaughey in sight.

“It is in fact much better than some well-known celebrity tequila brands like Casamigos, Gran Coramino, Cincoro, and 818...”

- Jonah Flicker (Robb Report, Esquire, USA Today, Maxim, Liquor.com)

About

Tasting Notes

On the Nose

Sweet with fine citrus and fruity notes that frame the aroma of cooked agave.

Taste

A nice mix of sweet agave, minerality and citrus with a light, peppery clean finish.

“While Not A Celebrity Tequila’s name is tongue-in-cheek; the hope is it has a more serious effect: encouraging more transparency within the industry, so consumers can make more educated decisions.”

- M. Carrie Allen (The Washington Post)
